

FORRESTON JUNIOR/SENIOR HIGH SCHOOL

PRINCIPAL
Travis J. Heinz

Dear Parent/Guardian,

For the past 4+ months, our student-athletes have been unable to participate in activities as we have known them to be and we understand the frustrations that goes along with this very fluid situation. At FJSHS, we are always going to be committed to keeping our kids safe while abiding by all the restrictions and guidelines of the IDPH and IHSA. As many of you may have heard, IHSA came out with new guidelines as of July 29th for the 2020-21 school year. With these new guidelines come many questions, but we are excited at the progress and opportunities these guidelines present. Please go to our school website (www.fvdistrict221.org) to see in detail the IHSA guidelines for Return to Activities 1.0.

As you will see we are currently able to participate in all sports this upcoming school year but there will be many differences. The key differences being the movement of some sports from the fall to the spring, limited to no state tournaments, and a very limited schedule. We do not have all of the answers currently but we are working hard to get them answered as quickly as possible. Our Junior High Conferences and our High School Conference will be meeting in the upcoming weeks to develop new schedules and guidelines to fit within the IHSA Return to Activities 1.0. This will continue to be a very fluid situation but as of now, it appears opportunities will be available for your son or daughter to play sports and that is exciting.

If you have any questions, please see the guidance on the website. Also, please be aware that you will need to be enrolled and attend in-person at FJSHS to be able to participate in these extracurricular activities. Please complete all paperwork for registration by this Friday, July 31st Thank you and GO CARDINALS!!!

Respectfully,
