Purpose

The LCP (Little Cardinals Preschool) program and the ELA (Early Learning Academy) program are located in the German Valley Grade School. These programs promote and challenge the emotional, social, physical and intellectual development of young children in a positive environment. The programs meet the needs of children and their families of varying abilities as well as diverse cultural, linguistic and economic backgrounds.

We provide active, hands-on experiences, which enhance growth according to each child's age and stage of development. Involvement with parents and families occurs in an atmosphere of respect and cooperation. Our goal is to better prepare students for a successful future.

Eligibility

The programs serve preschool-age children and their families. Eligibility is determined after a child has participated in a preschool screening and a parent questionnaire has been completed. The results are reviewed by the Early Childhood Team and a placement recommendation is made. Children may qualify for one of two programs, either the free, Early Learning Academy, or the tuition-funded, Little Cardinals Preschool, program. All Little Cardinal Preschool students MUST be fully potty trained before the first day of school and must be 3 years of age on or before September 1 of the start of the school year.

Potty Trained

A potty trained child is a child who can do the following.

1. Be able to tell an adult they have to go potty before they have to go.
2. Be able to pull down underwear and pants and get them back up without assistance.
3. Be able to wipe themselves after using the toilet.
4. Be able to wash and dry their hands.
5. Be able to remain dry during a 90 minute rest time.

More than one accident in a week, students will need to stay out of school for two weeks and must return potty trained.

Screening Information

Children who are ages 2 ½ to 5 years MUST participate in preschool screenings. Screenings are done periodically throughout the school year. You must show two documents as proof residency at the screening, such as a utility bill, driver's license, etc. Please call German Valley Grade School, 815-362-2279, for the next available screening date.
