## COVID-19 Participation Waiver

---

The Illinois Department of Public Health, Governor's All Sports Policy, and Illinois High School Association have guidelines for the participation of student-athletes during the COVID-19 global pandemic. These restrictions will be strictly followed at Forreton Junior / Senior High School.

FJSHS will always be diligent in seeking approval of our Return to Play as well as consult with appropriate governing bodies to include IHSA, IDPH, and Ogle County Health Department. By completing this form, you are granting permission for such consultation as well as permission for your student athlete to participate in the following Return to Play protocols. Please note the following includes a summary of the latest stage of return. Please visit ([fvdistrict221.org](http://fvdistrict221.org)) for the complete FJSHS Return to Play Plan documents.

---

In consideration of my son or daughters participation in extracurricular activities at Forreton Junior / Senior High School, I have evaluated the risk factors, reviewed protocols on the school website ([fvdistrict221.org](http://fvdistrict221.org)), understand the risks associated with my student athlete's participation, and agree to allow my student to participate in Forreton High School athletics and/or extracurricular activities.
