Dear Forrestville Valley Community,

The following is our data for the week:

Data	Total District	FJSHS	FGS	GVGS
Number of Cases this week	1	1	0	0
Percent of Cases this week	0.13%	0.23%	0.00%	0.00%
Year to Date Cases* (August 2020 – Present)	101	69	25	3
Change in Cases from Last Week	0	0	0	0

*Year to date, 84 households account for the 101 positive cases and the total number includes all students and staff.

Transmission Rate Remains LOW

While our school district remains low for positive covid cases, we did learn earlier this week Ogle County is considered a 'hot spot' within the state for COVID-19 activity. In our region, Ogle County has the highest rolling positivity rate of 8.4%. Please be aware of this increase in our direct area. If your student exhibits any symptoms, please do not send them to school.

Thank you for your ongoing efforts this entire school year.

Sincerely,

Mrs. Smith
