Dear Forrestville Valley Community,

We hope you all had a wonderful holiday break. Please see our COVID-19 data from this week below:

Data	Total District	FJSHS	FGS	GVGS
Number of Cases this week	3	2	1	0
Percent of Cases this week	0.40%	0.48%	0.39%	0.00%
Year to Date Cases*	60	32	22	2
Year to Date Percent of Cases	7.92%	7.75%	8.66%	2.63%

This week we had only one student identified as a close contact due to attendance within a specific program at Whiteside Area Career Center.

We are happy to report our school transmission continues to remain LOW.

*Year to date, 48 households account for the 60 positive cases and the total number includes all students and staff.

We are reminded by Ogle County Health Department to expect to see an increase in cases following the holiday break. If your child is not feeling well, please be sure to keep them home.

Thank you for your continued efforts to keep our schools operating in person.

Happy New Year!

Sincerely,

Mrs. Smith
