

# FORRESTVILLE VALLEY SCHOOL DISTRICT #221

SUPERINTENDENT  
Mrs. Sheri Smith

November 13, 2020

Dear Forrestville Valley Community,

The following is our positive case numbers for this week:

Data	District	FJSHS	FGS	GVGS
Number of Weekly Cases	10	7	0	0
Current Percent of Cases	1.35%	1.66%	0%	0%
Year to Date Cases	34	15	13	2
Year to Date Percent of Cases	4.6%	3.6%	5.31%	2.7%

***Based on our data today, our current school transmission rate remains low***

- Zero close contacts were identified this week
- Cases reported include both students and staff
- Of the 10 cases reported this week, 7 households were affected, as we see positive cases within family units. Year to date, 24 households account for the 34 positive cases.

We will continue to monitor daily attendance, symptoms of illness, COVID-19 testing results, and individuals identified as close contacts. As always, we will keep in close communication with our local health departments.

We will continue to consider possible needs for an adaptive pause over the holidays. As of today, our transmission rates remain low, but we are seeing an increase in our positivity rates overall.

Thank you for doing your part to keep our students and staff healthy.

Sincerely,

*Mrs. Smith*
